Expected Grad Semester & Year	Cumulative GPA	Psyching GPA	Psyching Major Credits Earned

* A/P Credit: Students who receive AP credit in Psychology will be granted an exemption from PSYC 111. The student will still be required to complete 13 courses total for the major, including the first half of the Introductory Requirement, PSYC 110. Students will need to take AN ADDITIONAL PSYCHOLOGY ELECTIVE to fulfill the major.

Courses transferred from another college or university must be approved by your advisor to count towards the major. Courses taken to meet the requirements for the B.A. in Psychology and Linguistics may not be taken under the S/U option.
